The Dormition Lent of the Theotokos – August 1st thru 14th

- This is one of the Four Lents of the Year.
- A Fast is observed from eat, dairy, fish, wine and oil – your wall calendar indicates days on which fish, wine or oil are permitted.
- As all “Lents,” are times of repentance, the Mysteries of Confession & Communion are part of the discipline of Lent. The monthly August calendar shows expanded timer offerings for Confession or call for an appointed time.
- Those that regularly receive Holy Communion on Sundays if you have not been to Confession anytime after Pascha (April 20) you must go to Confession before Sunday, August 17th, to continue to receive Holy Communion. This applies to all adults as well as children of Confession age.

Young Readers Sought for Post-Communion Prayers

After the Divine Liturgy, post-communion prayers are read. This is an opportunity for our young people (ages 7 and up) to start reading and chanting. Instructions will be provided. There are short and longer prayers. Five or Six people could read parts in this short service. Speak with Fr. James or Diaconissa Patricia.
